#### For the Preppers

There will be a lot of fun to be had, that sometimes means a lot of mess. It is a good idea to have a couple extra shirts and socks ready to go in the suitcase. It is perfectly fine if you, the parent, packs for your child. Make sure your child knows **everything** that is packed, so repacking will be smooth and easy for child. There isn't anyone to impress at this camp so makeup, perfume, cologne is not necessary. Any student who does not comply with the dress code will be asked to change, if there is nothing suitable to change into they will be wearing Alex's sumo wrestler sized shirts to cover up; this includes time in the pool.
